## **BACK TO SCHOOL**

Remember to pack your child a healthy lunch with a sandwich made from our sliced whole wheat breads. Honey whole wheat, anadama, colonial brown bread, many of our seeded breads and country white.

Call and reserve your loaf.

## **START WITH BREAKFAST**

Send the kids off to school prepared for a productive day with a healthy breakfast. Great Harvest breads are loaded with complex carbohydrates that supply the brain and body with energy all day long. Both memory and verbal skills benefit from a nutritious breakfast.

Try something different, make French Toast with many of our great breads:

**CINNAMON CHIP, CHALLA, CINNAMON BREAD  
AND WHITE CINNAMON RAISIN WITH OR WITHOUT WALNUTS.**

## **COLLEGE BOUND**

Don't forget the kids going off to college. Give them a Great Harvest care package filled with their favorite goodies.
